ORDERS

Each order is to be considered as irrevocable, any sums paid before the order confirmation, if withheld, will be intended as a security deposit, and the receipt of the sum will not constitute acceptance by Ramtech, which has the right to accept, confirming the order within 10 days from the date on which the order will be known by Ramtech.

No right will arise for the customer and no amount will be recognized in the event of non-acceptance of the order, as in the case of the validity term of the irrevocable order; in such cases, any sums paid by the client must be returned to him.

DELIVERIES – TERMS AND CONDITIONS

Any delivery terms will not constitute an essential condition and will be considered purely indicative.

The goods will be invoiced, and the customer undertakes to pay them at the list prices in effect at the time of delivery.

The goods travel at the risk and peril of the customer, whatever the means or via of its forwarding and delivery (courier, shipper, Ramtech branch or reseller, etc.) whose choice is left to Ramtech. All transport costs and inherent insurance, packaging, loading, unloading, as well as the related risks, are the responsibility of the buyer.

PAYMENTS

All payments must be made to Ramtech according to the methods indicated on the invoice. Failure to comply with payments and the payment terms referred to in the supplies entails the forfeiture of the benefit of the term for the installments to be due and entitles Ramtech to request interest referable to the period in which the default is recorded and up to balance equal to the official discount rate increased by eight (8) points. Without prejudice to any other right resulting from the non-fulfilment. Furthermore, in the event of late payments, Ramtech reserves the right to immediately suspend all supplies, even if dependent on other contracts with the same buyer.

WARRANTY

The products supplied are free from manufacturing defects. This guarantee implies for Ramtech only the obligation to provide for the replacement of the parts of the products that present manufacturing defects, and this ex works Ramtech headquarters in Sabadell (ES) excluding any other service, as well as any indemnity or compensation. The above guarantee is provided for 12 months from the date of shipment of the goods.

APPLICABLE LAW AND JURISDICTION

The law applied is the Italian one. The court of Sabadell is the only one competent, even if brought in as a monitor, to decide any dispute between the parties, relating or connected to this, to the contract deriving from its confirmation, interpretation, execution, withdrawal and termination, as well as to any inherent give and take relationship.
